## Impact of New Type Pneumonia in China (10th report)

We announce that we have changed the measures of our group factory in response to the outbreak of new type pneumonia in China as follows.

### 1. Wuhan Factory Re opens

Our Wuhan Plant has received permission to resume operations, and has resumed production in some processes from today.

### 2. Future prospects

We will inform you if the situation changes in the future. In addition, we will inform you promptly if the effects of this measure on business results are found.
