Operational status of Wuhan Factory

In line with the occurrence of new type of pneumonia in the Wuhan region, we disinfected public areas such as cafeterias, commuter buses, and toilets in our factory. In addition, the following notices are issued to local employees on January 6.

- Hand washing, gargling, avoiding places where many people gather.
- When you have a fever, you should go to a medical institution.

At present, we are unable to confirm the incidence of new type of pneumonia in our employees.

The Wuhan Factory is not running from Wednesday, January 22 to Wednesday, January 29, as we are holding a spring holiday as originally planned. We are planning to start operation of the factory from Thursday, January 30, We will inform you again if there are any changes in the situation.
