### **Effects of the earthquake occurred in North-east Japan (3rd report)**

Meiko would like to convey its deepest sympathies to all those who have suffered as a result of the earthquake measured upper 6 occurred in Northeast Japan on February 13, 2021, as well as its wishes for a speedy recovery. Meiko notices its latest conditions of factories in Japan as follows;

Fukushima factory, which had resumed partial operation since the day before yesterday, has completed the adjustment of all equipment, and is back to normal operation today.

Meiko believes the effects of this earthquake on its business performance will be negligible.
