Notice regarding the impacts to the overseas plants caused by the infection spread of Covid-19

We announce the instructions received from the authorities in China and Vietnam with regards to the infection spread of Covid-19 and the conditions in the respective plant.

1. Guangzhou Factory

Normal operation

2. Wuhan Plant

The authority of Wuhan Economic and Technological Development Zone prohibits the employees' entry/exit of the plant. We continue the optimal operation by adjusting the capacity partly to the number of workers in the accommodation facility of the plant.

3. Vietnam Plant

The authority of Thach That People's Committee restricts the employee's entry/exit of the plant. We continue the optimal operation by adjusting the capacity to the number of workers in the accommodation facility of the plant. Employees other than workers in production lines work at home.

4. Thang Long Plant

Normal operation

5. Prospects

There will be no change in our FY2021 forecast reflecting current conditions. We will promptly inform you when the situation changes.
